Hello EOHHS Managers:

We are pleased to announce that we are now accepting applications from managers for the new MasSP Mentoring Program! The Mentoring Program is the second MasSP program to be made available to EOHHS employees, following the Aspiring Supervisor Program launch in August.

Mentoring is a mutually beneficial professional development relationship where Mentees gain knowledge, skills and perspectives to advance their professional growth. In turn, Mentors enhance their coaching, counseling and leadership skills.

Participants in the MasSP Mentoring Program agree to a one-year formal relationship. Matches are based on the background and goals of the participants.

All EOHHS managers who are interested in securing a mentor must submit a Mentee application. EOHHS managers who are MV and above and interested in serving as a mentor must submit a Mentor application.

Attached is an overview of the Mentoring Program, along with the Mentee and Mentor applications. We are committed to hosting a diverse pool of participants with broad representation from our agencies, and **we encourage all interested managers to submit a completed application by September 30, 2011.**

We look forward to receiving your application! Please feel free to contact me with any questions.
